Young Leaders Award Scheme 2016 – Hoi Ping Students' Outstanding Achievements Recognised

Two of our students, Fung Heung Ying (6B) and Cheung Ching To (6B), participated in the Young Leaders Award Scheme 2016 organised by the Fung Hon Chu Education Trust Fund and the Man Kwan Education Fund. The aim of the scheme was to support local education and encourage talented and diligent students to keep progressing in order to be understanding people contributive to society. We are glad to announce that both of them were awarded the scholarship. We hope the awardees would continue to strive for excellence in the future!

Six All-round Students Receive Future Leaders Award 2016

5A Ng Yee, Cherry

It is my honor to be a recipient of the Future Leaders Award 2016 organised by the Outstanding Young Persons' Association. It commends all-round students who devote their time to exploring opportunities available to them in and outside the classroom.

Besides striving for academic progresses, nominees must participate actively in extra-curricular activities and voluntary services. I volunteered at Special Olympics Hong Kong and Hong Kong Eyes Hospital. These experiences showed me things I couldn't learn in school. Another reason I was selected was my services as a student leader. One of my posts was Table Tennis Team Vice Chairperson. Apart from organising activities for schoolmates, I had to make sure my teammates played their parts well!

Six proud recipients of the award: (from left) Ng Yee (4A), Lam Ka Yi (5A), Ng Chak Fung (3D), Chan Fu Hong (5B), Hui King Yi (3B) and Liu Mei Kuen (4E).

2016 Youngest eBook Writer 'Love. Historic Building' English Creative Essay Competition

Three students joined the 2016 Youngest eBook Writer 'Love. Historic Building' English Creative Essay Competition and achieved excellent results. Jolie Lam, Michelle Yip and Adora Wong from Class 3A won the Championship, 1st runner-up and 2nd runner-up respectively. In this competition, participants were not only tested on their writing skills and creativity; they also needed to develop a theme for the writing topic, conduct research on historic sites, and presented the ideas orally. To recognize their achievements, the three winners' essays have been published in the English Department's annual anthology, Channel.

The winners and the teacher advisor, Miss Fung, are all smiles because of the satisfactory results!

STEM Education in mBot Competition

During the summer holidays, two teams of S4 and S5 students took part in the STEM in mBot Competition organised by the University of Hong Kong's E-learning Development Laboratory, Everbest Technologies Ltd. and Tin Ka Ping Secondary School. This robot-building competition let students show their creativity and enhanced their skills in communication, problem-solving and logical thinking. In the contest, the teams had to come up with designs that match the winning criteria. Students then had to present their final products to the judges, who would make their decisions based on students' creativity and techniques. In the end, the two teams were awarded the 1st runner-up prize and the merit prize respectively. Congratulations!

One of our teams are presenting their ideas to the judges, hoping to convince them with their creative ideas.

The winners and teacher advisors are obviously pleased with the result.

A Performance of Colours and Delight

The S1 and S2 English Choral Speaking Team came in third place in the 68th Hong Kong Schools Speech Festival Mixed Voice Choral Speaking Event on 23rd November 2016. The adjudicator praised the team for a delightful and colourful performance that was clearly enjoyed by the audience. The adjudicator also remarked that the presentation was played with great vitality and attack. All the time and energy expended on the training sessions and rehearsals for this outstanding performance were well worth the effort! Congratulations to all team members and their dedicated teachers and advisors!

The performers poised for their next move.

Awards for a Mysterious Case Solved

The English Drama Team enjoyed great success in the Hong Kong School Drama Festival 2016 with its production of 'The Red Headed League'. A total of 27 actors and backstage crew worked tirelessly with directors Mr David Walker, Ms Bernice Lo and Ms Cheris Ma to bring this classic tale to life. The adjudicators complimented the team on the confidence of the cast and the atmosphere created. In the end, they captured two great awards, namely the Award for Outstanding Performer and the Award for Outstanding Cooperation. A proud moment for all the committed players!

Talents on Display

The final round of the Schools Music Creative Showcase competition was held on 24th January 2017. The competition challenged students to perform a piece of music in a unique and creative way with the use of multi-media elements. This year, the title of our performance was 'Ocean'. Various musical instruments such as the piano, flute, violin and cello were used to perform this memorable piece; alongside innovative and imaginative elements of drama, dance and lighting design, our team won the well-earned Bronze Award in the Best Performance Prize Category. Congratulations to the young talents!

Sweat and Joy

Aiming to win!

Our school's Boys B Grade Badminton Team participated in the Inter-school Badminton Competition Finals 2016/2017 on 3rd December 2016 and was awarded second place. The boys spent weeks practising for the competition, and collaborated closely as a team to come up with skillful tactics in preparation for the Finals. On the day of the tournament, they competed with strong determination and practised flair, and were able to achieve excellent results. They were given a trophy and individual medals for their spectacular win. The young athletes truly enjoyed the fruits of their labour!

UOB Connectivity Photography Award – Hoi Ping Photographer Captures First Gold

Wong Fu Wa (6B) joined the UOB Connectivity Photography Award organised by the UOB Art Academy and achieved an outstanding result. The judging panel of the photography contest consisted of renowned local and overseas artists and photographers, including Mr Water Poon (水禾田先生). In the Nature Photography Senior Student Category, Wong Fu Wa captured the Gold Award with his photo, 'Bird in Dusk' for his excellence in creativity and execution.

The interplay between lights and shadows is one of the best features of Wong's photo.

Japan-East Asia Network of Exchange for Students and Youths Programme

5A Yau Kung Yiu

Hanging out with new friends is one of the best parts of this programme, according to Yau Kung Yiu (second right).

Last December, I joined JENESYS, an exchange programme offered by the Japanese Government. I had never been to Japan and had a shallow understanding of their culture, so I felt blessed to be able to take part in this programme.

During the nine-day trip in Japan, I immersed myself in the Japanese culture: wearing the kimono, making traditional food, interacting with the locals during my homestay and exchange in high schools. I got to make both local and international friends!

A Trip to Remember

An overnight hiking camp to Chek Keng was jointly organised by the Hiking Club, the Photography Club, the Mathematics Club and the Astronomy Club from 23rd to 24th December 2016. During the hike, students visited three breathtaking beaches in Tai Wan, Ham Tin Wan and Sai Wan. Participants cooked for themselves, took a night journey and tried light painting in the dark. The camp was certainly a memorable experience for all.

Let's take a picture on this lovely beach!

Young Leaders Ready to Learn and Serve

The Peer Tutor camp was held on 8th and 9th July 2016 at Po Leung Kuk Jockey Club Tai Tong Holiday Camp. It was organised by our school and Martha Boss Lutheran Community Centre. Our Peer Tutors took part in activities designed to help them understand their roles and responsibilities better. They reflected that the camp had deepened their knowledge of special educational needs, so that they could offer suitable assistance to students in need. It was a fun and fruitful experience for the student leaders.

Our peer tutors looking as energetic as ever on the day they leave the camp!

From Leaders to Leaders – Head Prefects Training Workshop

Experts sharing their bitter and sweet moments with the greenhorns.

All 17 head prefects and vice head prefects of our school took part in a training workshop held on 28th August 2016. That day, veteran prefects passed on valuable experience to the new ones who would take over their responsibilities in the next academic year. It was very rewarding to the new head prefects because they were taught to handle administrative duties and difficult situations that would most certainly challenge them during their tenure.

Learning How to Face Adversity

What should we do to solve the problem?

To foster a supportive culture, the Counselling Committee organised Ambassador Training Workshops for selected students. Through drama, they helped students develop positive attitudes and skills to face difficult situations and become understanding and sympathetic individuals. During Life Week, the participants performed an interactive skit on the theme of adversities in which our student audience had the opportunity to rewrite the events and learn how to deal with different obstacles in life. It was both fun and inspiring for all!

Understanding Liberal Studies in Hands-on Experience

Students are serious about the roles they are assigned to and are very attentive in the debate.

The Liberal Studies Club visited the Legislative Council Complex on 8th October 2016. It was an opportunity for students to know more about the legislature in Hong Kong.

The twenty-four participants toured around the Complex. There, they had a memorable experience—taking part in a formal debate on ‘Strengthening control on light pollution’. They played roles such as the chairperson, government officials and legislative councillors. In this visit, students understood more about the history and daily operations of the legislature.

Getting Ready for the Challenges Ahead

Students getting valuable advice for attending interviews.

The S6 Mock Interview was successfully held by the Careers Guidance Committee on 10th January 2017. In an engaging lecture, the admission consultants from Hok Yau Club first imparted interview skills to S6 students. Students were then allocated to different interview groups according to their preferences and learnt how to respond to tough questions on the spot. Through this activity, students gained invaluable experience and learned useful interviewing techniques, which would surely help them shine in their upcoming interviews.

Mock DSE Results Release

To many students, the HKDSE is one of the biggest days in their lives. Therefore, some are understandably stressed and apprehensive about the DSE results release. To help them prepare well for this big day, our school, together with Hok Yau Club, organised the ‘Mock DSE Result Release’ for S6 students in late February. It simulated results release day. There were also mock interviews of different education institutions and information about career paths available after S6 graduation.

Students are provided with plenty of information about career and further studies options.

文化薈萃 — 「2016 全港中學生中華文化徵文比賽」頒獎典禮

張浩永同學獲吳克儉局長頒發高中組一等獎。

由中國文化院主辦的「2016全港中學生中華文化徵文比賽」頒獎典禮於11月6日，假孔聖堂中學舉行。本校四乙班張浩永同學，經學校提名舉薦參賽，通過初賽乃至決賽20道中華文化相關選擇題及面試考核；最終憑〈我最喜歡的書法〉一文脫穎而出，奪得「高中組一等獎」的殊榮。頒獎典禮當天，張同學獲邀即場朗讀其得獎作品，其作品更被收錄在《2016全港中學生中華文化徵文比賽得獎作品集》一書。

摘星有道 — 中六級綜合卷備試講座

為迎戰文憑試，我校中文科邀請到資深教育工作者——黃慧萍老師為中六學生就綜合卷作解說。黃慧萍老師是屯門天主教中學中文科主任，曾獲選為2011年優秀教師。當日主題為「從2016文憑試卷三看綜合能力的要求」，黃老師指導同學作答竅門，解說詳實；同場還有明愛聖若瑟中學的同學，兩校同學互相交流，相信同學們都得著不少。

同學踴躍向黃老師請教綜合能力的應試技巧。

暢遊在書海，閱讀滿精彩

中文科於3月8至10日在本校禮堂舉辦書展。是次書展的書類廣泛，能照顧學生多元化的閱讀品味。為了令同學在閱讀中獲得寫作的養份，中文科邀請到本地著名作家周淑屏小姐及朱少璋博士，為初、高中同學主持寫作講座。周小姐以如何寫作好文章為題分享寫作心得，講座內容生活化，同學表現投入。朱博士則從語文、表達及內容三方面談寫作，他運用活潑的事例及幽默的表達方式，令現場師生聽得津津有味。
